MasterClass and Recording Sessions

July 29th- August 1st 2013

The cultural association **Amici di Musica negli Horti**, **Ema Records** Music Label and **Il Rigo Farmhouse B&B** - S. Quirico d'Orcia (SI), offer to musicians and chamber ensembles the chance of a meeting in the wonderful Valdorcia (Siena, Tuscany, Italy), where they can study a contemporary chamber music repertoire under the guidance of international artists such as Adam Simmon (Australia), Kamran Khacheh (Iran), Alessandro Magini, Stefano Parrino, Maurizio Pagliarini, Alessandra Garosi (Italy).

Ensembles can study and perform, beside pieces from their own repertoire, a piece that a remarkable international will write especially for them. Some of the best performances and compositions will be recorded professionally and will be included in the CD "**Green Notes**" edited by EmaRecords and distributed on international channels. Ema Records will also give a certificate of the recording to every participant.
